

TO WHOM IT MAY CONCERN

It is with great joy that I would like to recommend the Sisters of Mary Religious Congregation, who are serving the poorest in the name of Christ in South Korea, the Phillipines, México, Brazil, Guatemala and Honduras.

Inspired by their Patroness, the Virgin of the Poor, the Sisters of Mary are dedicated to serve the orphans, abandoned, the sick, and the children coming from the poorest of the poor families at the Sisters of Mary Boystown and Girlstown Complexes. In Honduras the sisters are taking care of and educating the young girls, who are provided with food, clothing, shelter, medical and dental services, and academic and technical training totally free of charge. But above all, they are receiving spiritual and Christian formation, in order to give the hope of a better future.

The sisters are able to support their charity programs, because of the generosity of many good people around the world. The sisters, therefore, are continuously in need of financial and spiritual support.

I would appreciate those who help the sisters to continue their charity works in our country, so that many girls in need can benefit from their Girlstown School. I am sure that they will do much good for our church and our nation.

I wholeheartedly recommend the Sisters of Mary and support their endeavors in a favor or the youngsters.
