WELCOME TO OUR  
NURSING SCHOOL

MX

**Healthcare is a leading opportunity for jobs in Mexico. A Nursing School on campus in Chalco, Mexico allows for an accredited program of technical nursing as part of the vocational education curriculum.**

The school will be a template for other Boystown and Girlstown schools around the world established by the Venerable Fr. Aloysius Schwartz and the Sisters of Mary.

Driven by a rapidly expanding private sector, medical tourism, and a major government initiative to boost staffing in public health, this **building** will be the **catalyst** for helping scores of children **break free from poverty**.

**BY THE NUMBERS**

Number of students per year	150
Nurses per 1k ppl (MX)	2.9
Nurses per 1k ppl (OECD Countries)	8.8
Recent annual salary growth for nurses and medical techs (MX)	7.8%
